## UNITED STATES AIR FORCE

### MAJOR JEREMY C. MORRIS

Maj Jeremy C. Morris is Operations officer for Air Force Reserve Officer Training Corp (AFROTC) Detachment 290, University of Kentucky, Lexington, KY. He supervises all unit operations and training functions and is responsible for coordinating all detachment activities for cadre, delivers instruction on foundational leadership curricula to cadets, and acts on the behalf of the Det Commander in their absence.

Maj Morris graduated from the Embry-Riddle Aeronautical University and commissioned out of AFROTC Detachment 330 in 2011. He has successfully carried out assignments in both the maintenance and acquisitions career fields with duties that include Flight Commander, Director of Operations, Foreign Military Sales, and Project Management. Prior to his current position, Maj Morris was the Lead Project Engineer for Special Programs within 645th Aeronautical Engineering Systems Squadron (AESS) Greenville, TX. He is responsible for managing the cost, schedule, performance, integration, and sustainment of rapid acquisition projects directly filling urgent Intelligence, surveillance, and reconnaissance capability gaps.
