#### SCHOLARSHIP PROGRAM STATEMENT OF UNDERSTANDING

Figure A2.1. Scholarship Program Statement of Understanding.

FOUR-YEAR SCHOLARSHIP SELECTEES (4YR HSSP). I understand I must be enrolled as a full-time student each term and be enrolled and participating in AFROTC courses and Leadership Laboratory each term. I understand that I must pass the FA prior to 31 December of my freshman year or my scholarship will be terminated and I will be disenrolled from AFROTC. I understand I must achieve a Term Grade Point Average (TGPA) of 2.5 or higher during all terms while I am contracted. If I do not, my scholarship eligibility may be impacted. If I am disenrolled from AFROTC as an AS100 cadet, I will not be subject to recoupment of scholarship funding or call to active duty. I have been counseled by an AFROTC representative on the scholarship activation and retention standards prescribed in AFROTC instructions and I understand the activation and retention standards. Even if I achieve GPA standards and my Det/CC does not feel my performance warrants scholarship retention, I understand my scholarship can be terminated immediately. In such case, I may, at the discretion of my Det/CC, continue in AFROTC on a non-scholarship basis.

THREE-YEAR SELECTEES (3YR HSSP). I understand that I must be enrolled as a full-time student through the entire freshman year at the school where I will activate my scholarship and that I must be enrolled in and attending AFROTC classes and Leadership Laboratory each term. I understand that I must be earolled in and attending AFROTC classes and Leadership Laboratory each term. I understand Grade Point Average (CGPA) of 2.5 during my spring term of my freshman year and have a Cumulative Grade Point Average (CGPA) of 2.5 or higher by the end of spring term of my freshman year to activate my scholarship in the fall of my sophomore year. I understand I must achieve a TGPA of 2.5 or higher during all terms while I am contracted. I have been counseled by an AFROTC representative on the scholarship activation and fitness and retention standards prescribed in AFROTC instructions. I understand the activation and retention standards and that I must pass the FA NLT the fall term of my AS200 year. If I fail to meet any of these standards, my scholarship offer will be withdrawn. In such case, even if I achieve these standards and my Det/CC does not feel my performance warrants scholarship retention, I understand my scholarship offer can be withdrawn immediately.

ALL SCHOLARSHIP SELECTEES. I understand that I must complete a minimum of 24 semester/36 quarter hours of Math/Physics/Chemistry/ Engineering or four semesters/six quarters of the same foreign language before I commission. I understand that if I fail to complete this requirement, or appear to not be on-track to complete this requirement, then I will lose my scholarship and may be disenvolled from the program. In such situations, I understand that I may be required to repay the scholarship funds or be called to serve on active duty for a period of 2 years. I understand that being a scholarship cadet does not guarantee me a POC enrollment allocation. I understand that failure to compete favorably for an enrollment allocation will result in loss of scholarship, disenvollment from AFROTC, and could result in recomment of scholarship funds. This does not apply to 1-2-year scholarship winners.

- This form is for any scholarship recipient to understand the standard they must meet in order to keep the scholarship active. In this instance, the HSSP program is a 4 year commitment and there is a certain requirement to keep the scholarship active.
- Cadet will read and sign in the first line.
- Parent is only required for cadets under 18.
- Cadre will sign as witness.
